### Brand Marketing

To prepare great tasting dishes efficiently chefs want affordable, quality ingredients in their kitchen. That's why the chefs from Knorr created this range with selected high quality ingredients that bring you consistency in preparation and taste. Our vegetable and herbs are grown and ripened in the sun and are picked at the height of the season. We have created "Growing for the Future" a sustainable agricultural programme, to (help) protect the planet and to guarantee top quality ingredients.
