

## Description

New energy saving technology with premium components, very low running costs and protection from ozone depletion.

Black, high gloss back bar display refrigerator is ideal for storing beverages in bars, clubs, restaurants and hotels. Its exterior black gloss gives the cabinet an elegant look and provides good visibility for displaying products. Dixell digital display is protected by an anti-splash cover and shows the temperature constantly.

## Star Features

- Low energy consumption
- Quick cooling
- Maximum display
- Built-in quality
- Great merchandisers
- Black finish exterior
- 6 Chrome shelves
- Aluminium interior walls
- Door locks (as standard)
- Toughened glass
- LED interior lighting
- Low noise fan motor

## Technical Specification
