

Description

Large larder refrigerator cabinet accepts GN2/1. A precision high density polyurethane insulation provides excellent thermal efficiency, contributing to low running costs.

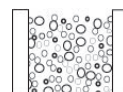

The cabinet comes with mobile swivel castors. Can go through any standard doorway making it convenient to install anywhere. Off cycle defrost management system has a dual device to speed up the process.

Star Features

- Stainless exterior
- Fan cooled interior
- Adjustable shelves
- Digital Controller
- Auto defrost
- Castors standard
- Eco friendly gas
- Self closing door
- Interior light
- Static evaporator
- 3 Shelves included
- Lockable door
- Insulation 60 mm

Technical Specification

Model	R600GS Refrigerator
Dimensions	W680 x D810 x H2010
Temperature Range	0°C to +5°C
Gross Capacity	600 Litres
Refrigerant	R290
Compressor	CUBIGLE
Power	13Amp Plug
Energy Class	D
Nett Weight	115Kg
Shipping Weight	128Kg

High density polyurethane insulation
